

Candidate R011

Synthetic candidate profile

EMPLOYMENT HISTORY

Senior React Native Developer | Venture-Backed Scaleup | 2016-03 to 2019-08

Spearheaded mobile DevOps initiatives, optimizing build pipelines and ensuring robust release management. Mentored junior engineers and implemented performance tuning for high-traffic applications.

React Native Developer | Bridgepoint Solutions | 2013-08 to 2016-02

Developed and launched several cross-platform mobile apps, leveraging Redux and Native Modules. Collaborated with design teams using Zeplin to ensure pixel-perfect implementation.

Mobile Developer | Bridgepoint Solutions | 2011-01 to 2013-07

Contributed to early React Native projects, gaining expertise in JSI and TurboModules. Participated in the full app lifecycle from concept to App Store deployment.

Frontend Developer | TechStart Inc | 2009-05 to 2010-12

Built responsive web interfaces and integrated REST APIs. Gained foundational skills in JavaScript and modern frameworks.

Full Stack Developer | Integrated Web Works | 2006-03 to 2009-04

Developed and maintained client websites using PHP and MySQL. Responsibilities included server management and database optimization.

SKILLS

React Native; Redux; MobX; Native Modules; JSI; TurboModules; Memory management; Secure storage; App Store deployment; Crashlytics; Metro Bundler; React Native CLI; Yarn; Zeplin; TypeScript; GraphQL

EDUCATION

Associate of Science | Computer Science | Tarrant County College

2002-09 to 2004-06

Bachelor of Science | Computer Science | University of Texas at Arlington

2004-09 to 2006-06

PROJECTS

Healthcare Mobile App

Developed a React Native app for managing patient appointments and health records, integrating secure storage and biometric authentication. Technologies used: Redux, JSI.

Real Estate Listing Platform

Built a mobile application for property listings with real-time chat features, leveraging MobX and Native Modules for optimal performance. Technologies used: React Native, Metro Bundler.

CERTIFICATIONS

Meta React Native Certification
