PROFILE

Frontend Engineer working on maintainable systems, explicit checks, and documented operational decisions.

WHERE I WORKED

Frontend Engineer | Atlas Sample Services | 2024-01 to 2026-01

Built accessible account screens and reusable React components for a customer portal.

Reduced repeated browser work by splitting large JavaScript bundles and caching static assets.

Used TypeScript in delivery work, with peer review and documented failure cases.

Owned a analytics workflow; checked outputs against recorded examples before release.
